Group leaders, your task is to read through the Leela based on Shiva Bhagwan that you have been allocated (Please see the other attached literature document) and bring props that you might have around your homes to the sabha, based on your Leela. This will only be as interesting as you make it to be so please please try make the effort to do so.

Ladies will be going upstairs, so please can we have your help to settle the girls down as fast as we can as we do not have time to waste. As you can see it's going to be a bit of a tight schedule so we all need to co-operate and make sure we do not over run.

If you have any questions please ask myself, Roopa Bhudia, Deepaben, or any of the guys namely Ashishbhai or Prakashbhai
