

Important: As you may be aware, there are huge efforts made to ensure the Shibir takes place each year. The cost of holding a Shibir is in excess of £23,000 per year, working out to be roughly £115 per person. The fee to register for the Shibir is kept to a minimum, to ensure it is affordable for all attending, with the difference covered as a subsidy by the Mandir.

WHAT IS A SHIBIR?

Every year devotees of the temple embark on a Shibir; an opportunity to take time out from our daily routines and enhance relationships with fellow satsangi's and Lord Swaminarayan Himself. The event is held away from home with activities designed to be both engaging and informative. With a mixture of fun games, presentations, discussions and activities, all based on a central theme, one's knowledge and love for our Great Sampraday is sure to increase.
