*'laying the foundations for life'*

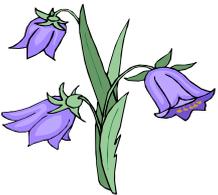

*We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child*

## August Newsletter

### What we have been learning...

#### Bluebell Room

The Bluebell room have been developing their fine and gross motor skills by helping to cut their own fruit at tea time. Of course the most exciting part was eating it afterwards.

#### EYFS Link - Physical Development

#### Tulip Room

The Tulip room children have been taking an interest in creative activities. These include making a necklace out of pasta and straw painting. The children are given the opportunity to explore these materials independently.

#### EYFS Link - Expressive Arts and Design

#### Sunflower Room

The Sunflower room would like to wish all of the children who are going to school good luck as they embark on a new chapter in their lives. Please come back and visit to tell everyone about the children's adventures.

#### EYFS Link: Personal, Social and Emotional Development

#### Staff News

Congratulations to Mina Bhanderi on completing her degree in teaching. Mina will begin her teaching career in September at a local school. We wish her every success for the future.

## EYFS

We are looking at an alternative way of recording the children's development in the nursery. Instead of having paperwork, we would have all of this online. We would like parent feedback on this so please speak to Aisha or Alpha for more information. Alternatively, you can visit [eylog.co.uk](http://eylog.co.uk) for further details.

## Health and Safety

A reminder to parents that it is vital that you let the nursery know if your child has had an accident at home before they come into nursery. We can then ensure that we keep an extra eye on them throughout the day and we also need to keep maintain a record as part of our regulatory requirements.

## End of Term Reports - Summer 2014

We have completed this terms summative reports and these will be put into your child's individual files.

Please speak to your child's keyperson if you would like to see this.

## Parents Evening

Our next parents evening is on Thursday 21st August. Please see posters in your child's room to book an appointment.

## Policy of the Month

### Accident Policy

Please can all parents take some time to have a look at the policy that we have in place. This is situated on the main notice board downstairs.

The team will be going through this during their next staff meeting.

### Nursery trip

Thank you to all of the parents who attended the farm trip on Friday 18th July. Both Bluebell and Tulip rooms had a great time with a very quiet coach on the way back. We will continue to plan outings for the children.

### Up to Date Records

Please can all parents ensure they are filling out their contact details form and handing this into the office so that we can update the children's details which could be vital in the event of an emergency.

### Parent Governor

We are still looking for a parent to join the Ghanshyam Education Trust Governing Body, if any parent's are interested in carrying out this vital role, please see Aisha for an application form. The appointment is made by the Temple Management Committee and is normally for a period of twelve months.
