'laying the foundations for life'

We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child

June Newsletter

Bluebell Room

We will be talking and learning about wild animals by their sounds. We will be going to Paradise Wildlife Park (22nd June) to see the animals. If you are accompanying your child, please talk to them about the animals you see.

Parental Involvement - Take pictures of your child with the animals on the trip

EYFS Link - Communication and Language, Understanding the World

Tulip Room

This month we will be learning about shapes and colours. We will mix paint to create new colours. We will also be printing and matching shapes with other objects and the environment

Parental Involvement - Please talk to your children about shapes and colours. Draw, cut and print shapes and talk about the colours and shapes of fruit and vegetables

EYFS Link - Communication & Language, Physical Development, Mathematics, Expressive, Arts and Design

Sunflower Rooms 1 & 2

This month we will be preparing children for going to school. For the children that are leaving, please bring your child's P.E kit - providing shorts or leggings and a t-shirt. For the children who are not leaving from Sunflower 1, we will be learning about Dinosaurs.

Parent Involvement - Take your children to the museum, look at information about Dinosaurs. We would also like to thank all the parents for their support throughout the year with your child's development.

Children's outing policy

8.3 Supervision of children on outings and visits

Policy statement

Children benefit from being taken outside of the premises on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. We ensure that there are procedures to keep children safe on outings; all staff volunteers are aware of and follow the procedures as laid out below.

Children are taken to the Temple on a weekly basis also

Procedures

We ask parents to sign a general consent on registration for their children to be taken out on local short outings as a part of the daily activities of the setting. This general consent details the venues used for daily activities. This also included local trips that may include a short bus ride.

We assess the risks for each local venue used for daily activities, which is reviewed regularly.

We always ask parents to sign specific consent forms before major outings; and the risks are assessed before the outing takes place.

Any written outing risk assessments are made available for parents to see.

Our adult to child ratio is high, normally one adult to two children, depending on their age, sensibility and the type of venue, as well as how it is to be reached.

A minimum of two staff accompany children on outings. Unless the whole setting is on an outing, a minimum of two staff also remain behind with the rest of the children. A manager or room leader must be present on a trip at all times and the nursery mobile phone must be taken and not staffs personal phones.

Named children are assigned to individual staff member to ensure that each child is well supervised, that no child goes astray and that there is no unauthorised access to children. We ensure that all children on the outing are well supervised, that no child goes astray and that there is no unauthorised access to children.

An outing risk assessment sheets is completed and staff ensure all emergency items are taken with them. E.g. first aid box

Parents who accompany us on outings are responsible for their own child only. Where parents have undergone vetting with us as volunteers, they may be included in the adults to child ratio and have children allocated to them.

Outings are recorded in an outings record sheet kept in the setting, stating:

The date and time of the outing.

The venue and mode of transport used.

The names of the staff members assigned to each of the children.

The time of return.

We take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothing and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long they will be out for. We apply sun cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.

We take a list of children with us with contact numbers of parents/carers, as well as accident forms, medication forms and a copy of our Missing Child Policy.

We provide children to wear uniform and must wear jacket with badges that contain the name and setting telephone number – but not the name of the child.

Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.

We ensure that seat belts are worn whilst travelling in vehicles and that booster seats and child safety seats are used as appropriate to the age of the child.

As a precaution, we ensure that children do not eat when travelling in vehicles.

We ensure that contracted drivers are from reputable companies, do not have unsupervised access to the children and are not included in the ratios.
