

Ghanshyam Nursery School

'laying the foundations for life'

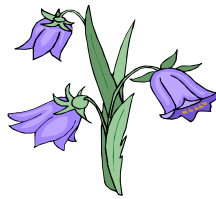

We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child

March Newsletter

What we will be learning

Bluebell Room

Following on from our recent inset day training, we will be focusing on making sounds from letters, not just singing alphabet songs with the children. This will encourage children to understand letters and not just repeating an adult. Please ask your child's key person for further details

EYFS Link - Communication and Language

Tulip Room

The children will be making photo books for their book corner area to encourage speech and language development. Photos will include children's interests, real life photos and family photos too.

EYFS Link - Communication and Language

Sunflower Rooms 1 and 2

We have introduced individual photo albums to each child in both sunflower rooms. These will be for the children to put their own photos, art work and record any achievements. This gives the children a sense of responsibility and independence.

EYFS Link: Personal, Social and Emotional Development

Kian - 3

Viana - 3

Shlok - 4

Staff News

For the month of March, Chandni will be giving up chocolate to raise money for the BHF.

This is a big challenge for Chandni and we would appreciate any encouragement and donations towards the cause. All proceeds from our cake sale will go to this charity also.

EYFS

Please can all parents who have not been able to attend parents evening arrange a time with their key person to see the children's up to date summative assessment. It is important for you to see and understand how your child is developing and how you can help their development at home.

Mealtimes

A reminder to parents that for under 3's , breakfast is served until 8.45. if your child is coming into nursery after this time, they will need to have breakfast at home. It is vital for children's concentration to ensure that they are having breakfast in the morning.

We have also created a cook book for both the nursery and parents. If you would like a copy of this, we can either email this or print you off a hard copy. Please let Aisha know for more details.

Mobile Phone

If parents have not already done so, please can you text the nursery mobile number - 07722574698 to receive reminders and updates.

Inset Day

Our next Inset day will be on Friday 3rd June. Please make a note of this in your diary.

The policy of the month is:

Physical activities in the early years

Please see attached policy and advice

We will also be going through this at our next staff meeting.

Health and Safety

A reminder to parents that only adults should be pressing the exit buttons, and all other buttons in the nursery. The children are not allowed to do this throughout the day, and therefore they become confused. This also prevents children leaving the nursery unattended as many can open the front door.

Also, can parents ensure that children are not opening doors when they are with you.

Outside Environment

All children will go outside in the garden in all weathers and it is vital that they come to nursery with appropriate clothing for their outdoor experience. The benefits of the outdoor play include:

Learning how to take risks

Forming friendships

Cause and effect

Learning how to balance

Solving problems

Learning about growing
