Please note the dates for show and tell are 12th and 26th March.

Parental Involvement—Please talk to your children about body parts. A big thank you for all your support. The children are doing well in the class. Kindly continue your good work

Emergency Contacts:

A reminder to all parents to ensure that you are providing the nursery with the correct contact numbers and names for all adults who can pick up your child in an emergency. We are unable to send the children home with anyone unauthorised.

Nursery Trip

We will be going on a school trip on Friday 26th June, but we still have not decided on a venue. If you have any suggestions, it would be appreciated. We have already had a few suggestions such as Old Macdonald Farm, Paradise Wildlife Park, Belmont Farm, Woburn Abbey Safari Park.

Menus

We will be revising our menu in discussion with the kitchen staff and the children. If you have any suggestions on any child friendly recipes, please feel free to share.

Uniforms

A reminder to all parents that their children MUST wear correct uniform. They must wear the nursery t-shirt/fleece and black or navy jogging bottoms. T-shirts can be purchased from the office. Please check your children's bags regularly to ensure there are sufficient spare clothes.

The policy of the month is:

Children's attendance policy (Please see attached sheet)

Health & Safety

A reminder to all parents/carers about the importance of not bringing in NUTS into the nursery. We have a child with a severe allergy and must not come into contact with NUTS at all. Please can parents ensure that children are not taking Prasad from the Mandir and bringing this to the Nursery.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored in their phone

The number is 07722574698

All emails to the nursery should go to enquiries.gns@sksst.org

Parent Forum Update

Thank you to those who attended the parent forum. Some suggestions that came out from the meeting:

- Wet wipe dispensers in the classrooms
- Yoga classes to be investigated
- Long-sleeve T Shirt/light jumper
- Feasibility questionnaire to be sent out for breakfast and afternoon club
- Good feedback on positive staff contribution and caring attitude

Your views are important so please join in our parent forums

Children's attendance policy

At Ghanshyam Nursery School we believe good attendance is essential if children are to be settled and take full advantage of the learning and development opportunities available to them.

At a young age continuity and consistency are important contributors to a child's well-being and progress. Also we believe regular attendance at nursery can set good practice for statutory school.

Our aim is:

- To create a culture in which good attendance is 'normality' and valued
- To value the individual and be socially and educationally inclusive
- To be consistent in implementation of our policy and procedures

All parents are made aware of the importance of regular attendance prior to entry and of the importance of collecting children on time. Our child collection procedure outlines our practice if a child is not collected from nursery.

The nursery collates and monitors attendance information for all children each half term in line with safeguarding good practice.

All parents are made aware that they must phone the nursery if their child will be absent, and let us know of any holidays that they may be going on. If no contact is made by the parents, the nursery manager will call the home by 11.00 am each day to find out why the child failed has not been able to attend nursery. In the manager's absence, the deputy manager must ensure that this happens.

Children's absences are recorded in the register and the record table in completed daily in the office.

If we have any concerns with a child's attendance, our first instance would be to speak to the parents and try to support the family with and help and advice that they may need.

If the child's attendance does not improve, we would seek advice from other professionals such as health visitors or GP. This may help with trying to find out what the problems or issue may be.
