Parent partnership: Talk to your children about people around the world, continue doing letters at home.

We have a WOW board located in the reception area. We would like you to bring pictures or work or anything that your child may have done that made it a “wow” moment. We look forward to receiving lots of “wow” work!!!

Children leaving for School

Many of your children would have received their first choice of school. To make the transition easier, please talk to your children about their new school, what uniform they will be wearing and the types of food they will be eating. Please note that one month's notice is required for your child leaving Ghanshyam Nursery

Safety Notice

When using the Temple car park please be considerate when parking. Some parents are using up double spaces when parking. We are very fortunate that we have parking facilities available for us, please do not abuse it.

Creams

Please note that from June we will only be accepting creams that have been prescribed by a GP. We will no longer be accepting over the counter creams of any kind except nappy creams.

The policy of the month is:

Children's attendance policy (Please see attached sheet)

Health & Safety

A reminder to all parents/carers about the importance of not bringing in NUTS into the nursery. We have a child with a severe allergy and must not come into contact with NUTS at all. Please can parents ensure that children are not taking Prashad from the Mandir and bringing this to the Nursery.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored in their phone

The number is 07722574698

All emails to the nursery should go to enquiries.gns@sksst.org

Parent Feedback

Responses from parents about extended Nursery Opening Times has been received from 14 parents with only 5 parents feeling that they would benefit /take up the extended hours. Due to the lack of demand, we will not be exploring this option further for the time being.

Children's attendance policy

At Ghanshyam Nursery School we believe good attendance is essential if children are to be settled and take full advantage of the learning and development opportunities available to them.

At a young age continuity and consistency are important contributors to a child's well-being and progress. Also we believe regular attendance at nursery can set good practice for statutory school.

Our aim is:

- to create a culture in which good attendance is 'normality' and valued
- To value the individual and be socially and educationally inclusive
- To be consistent in implementation of our policy and procedures

All parents are made aware of the importance of regular attendance prior to entry and of the importance of collecting children on time. Our child collection procedure outlines our practice if a child is not collected from nursery.

The nursery collates and monitors attendance information for all children each half term in line with safeguarding good practice.

All parents are made aware that they must phone the nursery if their child will be absent, and let us know of any holidays that they may be going on. If not contact is made by the parents, the nursery manager will call the home by 11.00 am each day to find out why the child failed to make it into nursery. In the manager's absence, the deputy manager must ensure that this happens.

Children's absences are recorded in the register and the record table is completed daily in the office.

If we have any concerns with a child's attendance, our first instance would be to speak to the parents and try to support the family with and help and advice that they may need.

If the child's attendance did not improve, we would seek advice from other professionals such as a health visitors or GP. This may help with trying to find out what the problems or issue may be.
